BUSINESS UPDATES

Official Newsletter of Branthwaite Care Home

At Knights Care we understand that choosing a care home for a family member can be a difficult choice and we want to take this opportunity to say thank you to the families who have entrusted us with the care of their loved one at Branthwaite.

A message from Laura Willows, Home Manager

“We have been working hard these past few months to implement positive change and ensure we are providing each resident with the opportunity to get the most out of each day and to ensure the highest quality of care is received by all. In light of this, I want to take this opportunity to share with you a recap on all of the great things that have been happening within the home recently, and invite you to join us for some exciting upcoming events”

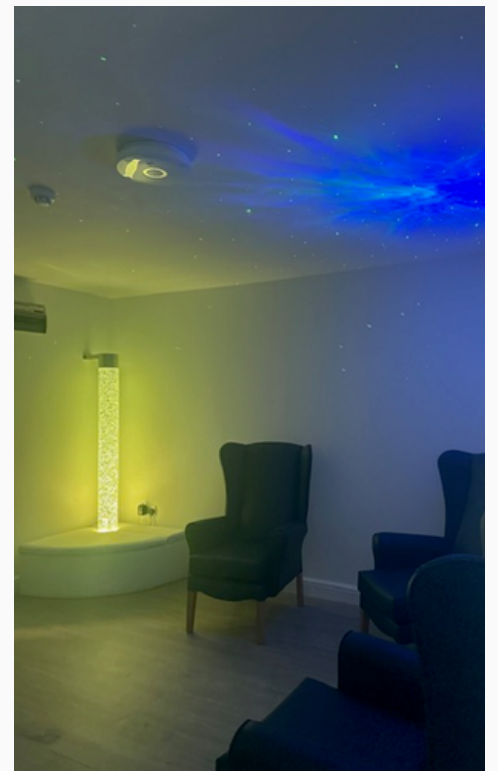

Business Updates - Sensory Room Refurbishment

The sensory room located on the second floor has been undergoing a makeover these past few weeks. The aim is to create a calming, comfortable and stimulating safe space for residents to benefit from. The refurb is nearly complete, check out the progress so far:
