Welcome to Drovers Call September Newsletter

knightscare

At Knights Care we understand that choosing a care home for a family member can be a difficult choice and we want to take this opportunity to say thank you to the families who have entrusted us with the care of their loved one at Drovers Call.

Thank you to all of our wonderful staff for continuously caring for not only residents of the home, but also each-other. It has been incredible to see so many of you share positive feedback on your colleagues since we launched our Employee of The Month and new Employee Recognition Programmes.

Business Updates

Congratulations to Julie Grant on her transition from Clinical Lead to Deputy Manager.

The garden is almost complete, with the decking currently being refreshed and new furniture arriving soon. We thank the maintenance team who have put an outstanding level of work into the refurbishment.
